

Exit slip vocabulary: ones, tens, hundreds, thousands, greater than, less than, decrease, increase, “ _____times as much as _____”

- On your card, write one of the 4-digit numbers you created playing ‘Let’s Roll’. (Example: 5,421)
- Use this number to create a new number by moving 2 of the digits to other places. (For example: 5, 124)
- Write about how your number changed. Be as descriptive as you can in describing the changes. Use vocabulary above.

<p>Exit Slip</p> <p>My 4-digit number is _____</p> <p>My new 4-digit number is _____</p> <p>_____</p> <p>_____</p> <p>_____</p>
