

Contract #	Term	Course	Contract Title	Description
474106	Spring 2020	THEA 3269	Lighting Design	For my Honors Contract, I plan to create a lighting design based on a set that is given to me by my professor.
484110	Spring 2020	THEA 3269	A Study in Greek Lighting	In this project, I will be writing a three to five page paper on how Greek theater was originally lit and how it can be recreated in that style on stage today. I will explore what the Greeks originally used for their lighting and figuring out how that can be emulated onto a stage in a modern theater. This will be research to help with my lighting design for Antigone Now.
